# SHOWROOM

Manufacturers and exporters of deep drawn and sheet metal fabricated products in stainless steel and aluminium for hotels, restaurants and home use. We also manufacture OEM parts for kitchen equipments and appliance.

**Message from our Founder and Managing Partner**

**“Success is realising your dreams,  
and inspiring others to achieve them.”**

With a degree in mechanical engineering and a desire to set up his own business, he started the company in 1970 with just 9 employees. In his three decades of work experience he has handled all the functional areas of management vis-à-vis production, marketing, finance, purchasing and human resources. His beliefs and values have made King Metal Works as one of the most respected organisations. In recognition of his contribution to the society and industry, he was awarded the 'Udyog Ratana' (Lifetime Achievement Award) by All India Stainless Steel Industries Association (AISSIA) in 2005.

– **Mr. Ramesh R. Shah**  
 Founder and President

# THE JOURNEY OF OUR LEGACY

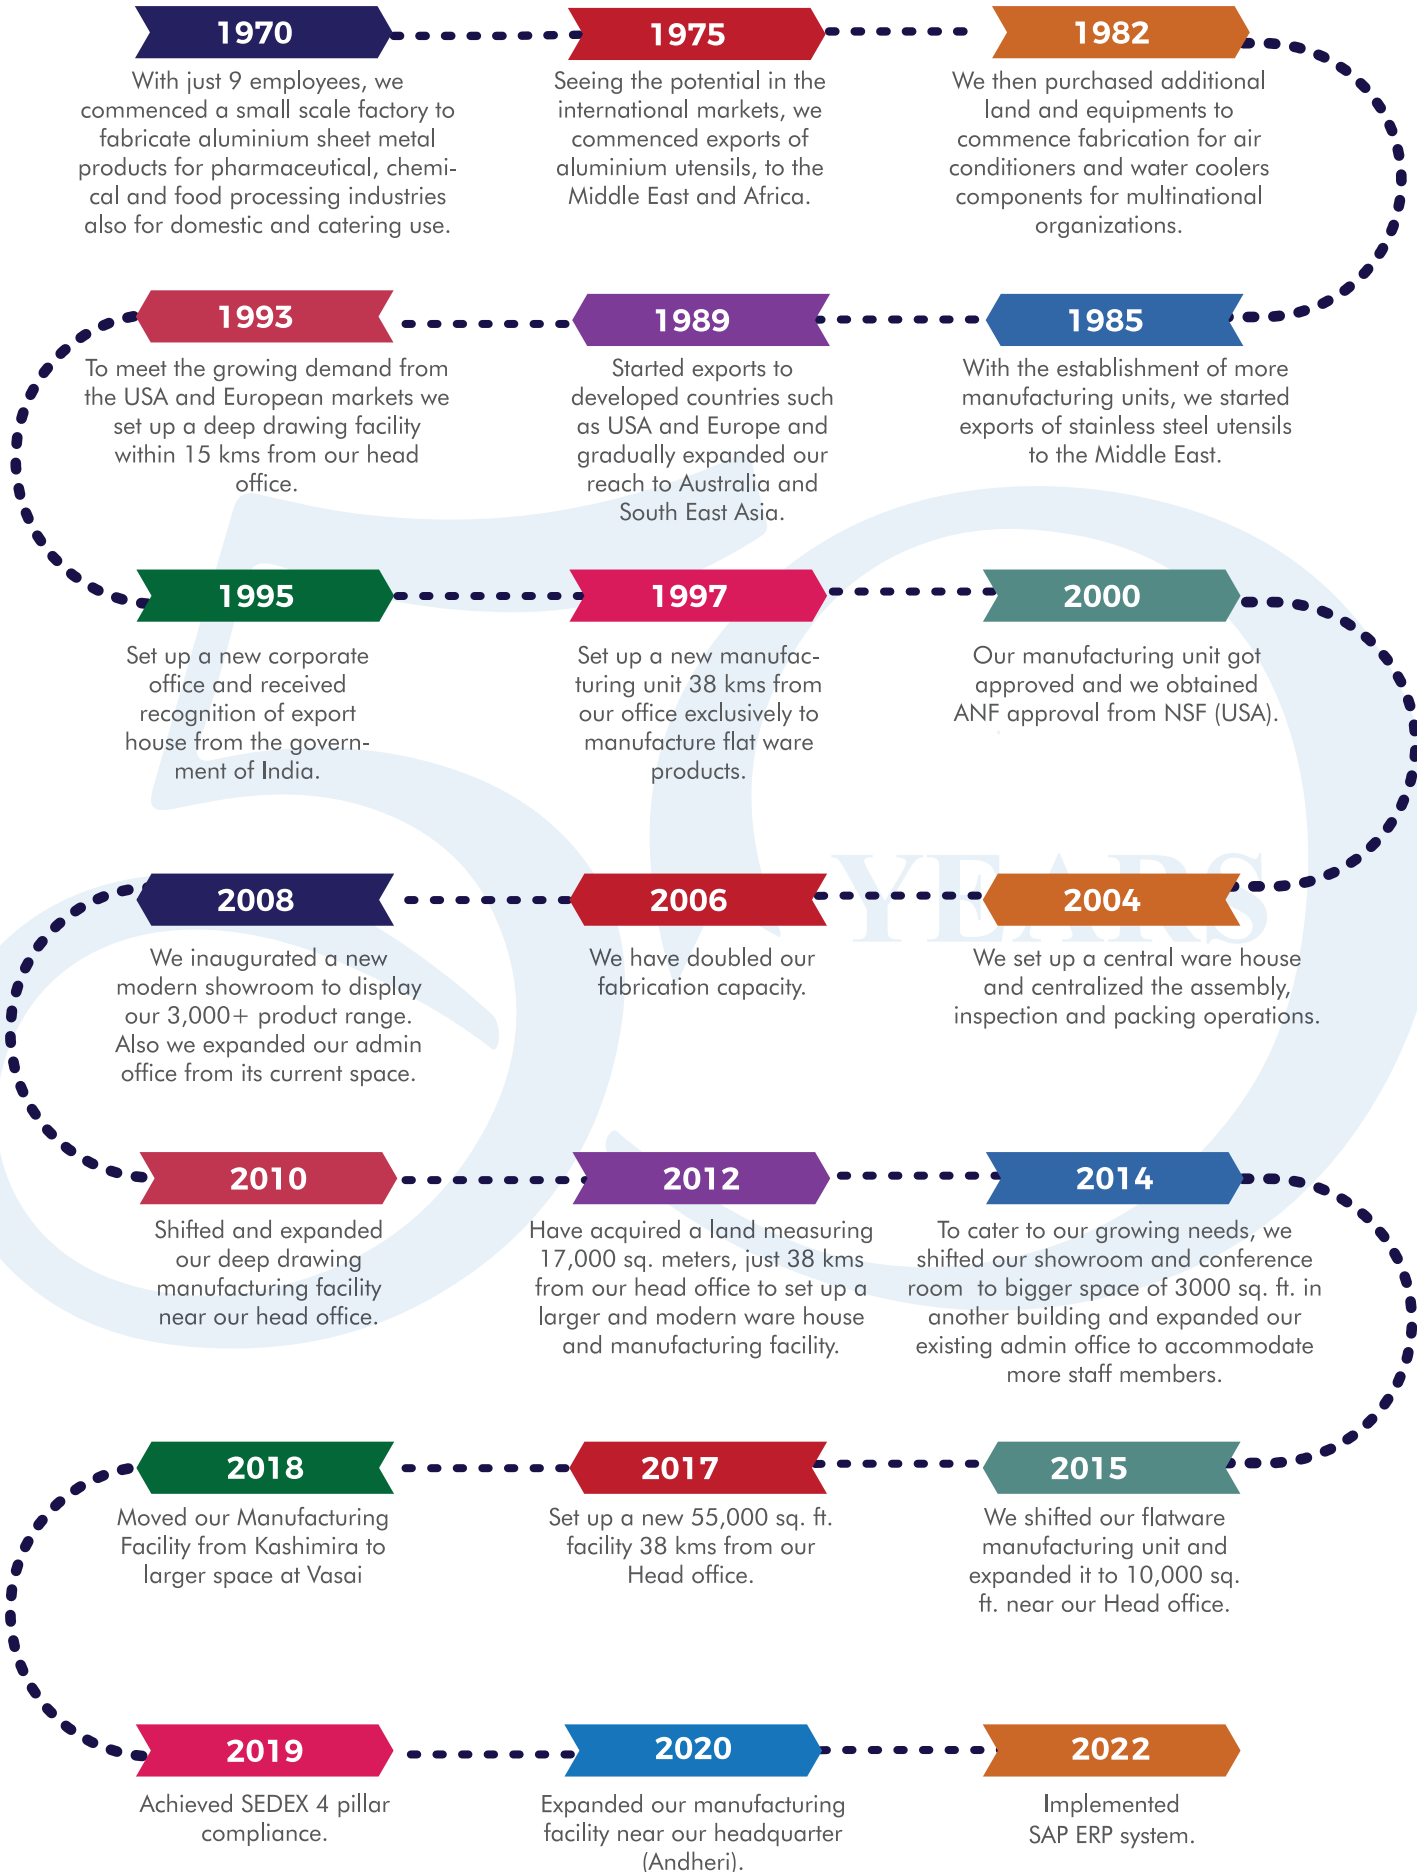

# THE JOURNEY OF OUR LEGACY

King Metal is proud of its tradition of satisfying its customers. We are driven by the goal to provide quality, innovation and service that exceeds our customer's needs. With the fast changing trends globally, the customer is always asking for more innovative products and shorter response time. Our team here is dedicated to deliver this always. Hence we provide everything to our customers from more than 3,500 products to choose from to a wide variety of packaging solutions. Our competitiveness and ethical practice have helped us to retain customers who are doing business with us for over three decades.

## About the Company

We, at King Metal Works take great pleasure in presenting our company to you. We are proud to be one of the leading manufacturers and exporters of diversified range of hollow ware, flat ware and fabricated products of sheet metal in the country. We offer you end-to-end solutions (from conceptualizing to developing and manufacturing and then to packaging) for kitchen ware, table ware, bar ware, pizza supplies, bake ware, wire products in stainless steel, aluminium and brass for hotels, restaurants and home use. We also manufacture deep drawn and fabricated OEM parts for kitchen equipments and appliances.

## Experience Counts

We began operations in 1970. A privately held and a family managed company, we initially manufactured engineering components for air conditioners and water coolers and did fabrication work for pharmaceutical companies. This gave us a wide range of experience and a deep understanding of manufacturing 'quality engineering products'. With this immense experience, within three decades, we started and expanded our operations to become one of the leading government recognised export houses and simultaneously winning many accolades on our way.

## Global Presence

We believe in sincere commitment to the pursuit of quality for customer satisfaction. Having one of the largest ranges of over 3,500 products these are exported to more than 70 countries worldwide. Our product range is ever increasing as we develop new products every month.

## Our Operations

Head office location: Head office and 2 plants located in the heart of the city and just 2 kms away from the Mumbai International Airport. We have qualified engineers in production, quality control, purchase, marketing and research and development.

## Plant Location

We operate through 5 state-of-the-art manufacturing units located in and around the Mumbai city. Here we employ a workforce of skilled and well-trained employees to meet the demand of our customers. We also have our own tooling room which enables us to develop faster and accurate tooling. We are adding new resources every year to cater to increased volumes.

## KMW Corporate Social Responsibility.

- Established and successfully running a Diagnostic Center especially for our employees and under privileged as part of KMW Corporate Social Responsibility.
- Every month thousands of people are benefitting from this Multi-Speciality Diagnostic Center.
- Multi-Speciality Diagnostic center provides services of Dental care, Eye care, pathology lab and many other facilities.
- We periodically carry out camp for health checkup for our Employees and for the under privileged
- Donated for construction of school library in small village name "GAVAD" in Gujarat.
- Every year we donate books to our Worker's children & other needy children.

# Kitchen Ware

Every kitchen is defined by utensils it owns. The sheen of their stainless steel bodies, the comfort we experience while handling them and the convenience with which they help us prepare the food is commendable. They are not just kitchen ware, but something that makes our kitchen a perfect one. Here's our set of kitchen ware - coffee dipper, compartment tray, conical strainer, dredgers, salt and pepper shakers, julep strainers, fryer basket, ice cream spade and scoop, meat tenderizer, ladles, sieves, skewers, skimmers and a lot more.

# Pizza Supplies

Vegetables, sauces and toppings is not all you need to make a delicious pizza. It takes a pan, a cutter, a tray and a spade to complete the experience of making and serving the pizza. And we at KMW heighten this experience of yours - right from its preparation till you serve your customers. Our collection includes pie pans, pizza pans, pie cutter, pie servers, pizza pans extra deep, pizza screens, pizza tray and pizza spade with wooden handle.
